ORDER PERMITTING FILINGS WITHOUT PAGE LIMITATIONS

On October 16, 2014, defendant Lucky Gunner, LLC removed this civil action to this court and filed a Motion to Dismiss and Memorandum in Support [3] together with a Motion to Permit Brief of Twenty Four Pages [5]. Acknowledging that some judges of this court apparently have limitation on the number of pages that may be filed on motions and, perhaps, other pleadings, this judge has no such limitations. Accordingly, it is

ORDERED that the parties in this civil action may file pleadings without page limitations and that the defendants' motion [5] is granted.
